STUDENT **IMPACT**

I'm incredibly grateful to be a recipient of the Friends of Dance Fund Scholarship, which has eased the financial burden of pursuing my BFA in Dance at FSU. As a first-generation college student and transfer, this support has allowed me to fully embrace my training, leadership opportunities, and artistic growth. Your generosity inspires me to work hard and dream big as I prepare for a professional career in dance and higher education.

BFA Class of 2026

I am very grateful that you made this gift possible, and I am extremely excited to attend the FSU ARTs in NYC Program with the help of your donation —a life-changing opportunity. As a senior dance major and Air Force child who moved often, Florida State has given me a strong foundation through performance, academic study, and global experiences. This program will allow me to train, intern, and deepen my connections in New York City as I work toward a professional career in dance.
